## PROGRAM OUTLINE

Businesses can choose 8 of the corporate workshops series (26 choices). Businesses can combine 1:1 entrepreneur / leadership training with a leadership workshop package (for employers and employees)

## DEFINED INSTRUCTIONAL OBJECTIVES

The team has a choice from 26 topics available through blocks of 8 workshops. It fulfills key core competencies in team performance preventing businesses from succeeding in a competitive market. Depending on the topics chosen, the Team will learn:

- The fundamentals to improve one of the key business practices: strategic planning & execution, business & brand development, Communication, efficiency.
- Application of the knowledge to specific business situations
- Development of a detailed action plan to apply new learnings to future business situations

## MEASURABLE LEARNING OUTCOMES

- Clarity on market opportunities and competitive advantages
- Engaged and collaborative team culture
- Greater organizational alignment across diverse interests
- Team-engineered business model(s) creating solid business ownership culture
- Greater reduction of risks while creating opportunities for growth
- Improved conflict resolution through effective communication, relationship management and partnering
- Solid monthly execution on goals as planned

## ASSESSMENT METHOD(S)

The participants are required to complete various assignment at different stages of each workshop (prior, during & after). Assignments are designed to apply the knowledge covered to their business situation. The participants submit their assignments to the Facilitator for the content is reviewed and evaluated.

- **Monthly assignments** conducted prior, during and after each workshop enable the participants to apply the course concepts to their specific business situations.
- **Various case studies** will be conducted where the Participants are assessed on their ability to apply the course concepts of Essential Business Skills to their specific business situations.
- **Business simulation** to develop strategic thinking, decision making, problem solving, financial analysis, market analysis, operations, teamwork and leadership.
- **Completion requirements:** the candidate is required to complete the assignments, within the timeline required per topic.
- **A certificate of completion** will be issued to confirm the completion of this training.

Each Block of 8 workshop series is conducted with the same group of people over a 12 month period. It follows the incremental improvement approach where the learnings from each workshop are incorporate into the following workshops in the series to maximize effectiveness of experiential learning and action driven problem solving.

**COURSE COMPONENTS**

Participants have the option to purchase a package of 8 workshops to meet the specific participants' needs.
